

## GlobalMojo Browser Fundraiser

GlobalMojo is a new web browser that helps generate money for non-profits like West Chester Dance Works simply by browsing the Internet the same way you do every day, and at no cost to you. GlobalMojo does this by capturing revenue that you're already generating when you search, browse, and shop online, and redirecting that revenue to the causes you care about (**West Chester Dance Works**).

### What You Need to Know

- GlobalMojo is built on the safe, secure and popular Firefox browser architecture. It's fast, safe, tested, and reliable.
- It downloads in minutes and will import all of your favorites and bookmarks from your current browser.
- It's **free** for everyone (users, schools and nonprofits).
  - 50% of gross revenues generated by users are donated to the causes chosen by users (schools, charities, disaster relief, etc).
  - GlobalMojo adheres to the highest privacy standards and protection for our users.

Please go to [www.globalmojo.com](http://www.globalmojo.com), download their browser, select **West Chester Dance Works** as your cause, then browse, surf and shop as usual.

To make a donation to the West Chester Dance Works **Annual Campaign**, go to our website at [www.wcdw.org](http://www.wcdw.org) and click "Just Give". All donations are tax deductible to the fullest extent of the law.
