

WCDW First Official CAN Recycling Drive

Dear Parents, Friends, Supporters, and Contributors

West Chester Dance Works, dance company in residence at the Diane Matthews School of Dance Arts is a 501(c)3 non-profit organization that is poised to kick off its first ever **CAN Drive** as a part of our **Annual Campaign** to help raise money to support its many outreach efforts and scholarships. As most are aware, the economy has affected all of us in many different ways and our not-for-profit dance entity has been no exception. **TRASH to CASH** is an effort to offset our expenses while we help to make an impact on our environment.

Our CAN Drive will kick off on

January 4, 2010 and continue until July 31, 2010.

Here's what we are asking you to do:

1. Get a large plastic bag and set it aside
2. Crush all your **aluminum** cans and put them in the bag
3. When your bag is full call any of the numbers listed below and notify us when you will bring the bag to the studio.
4. Bring your bag of crushed cans to the studio! It's that easy!

Here are some suggestions to help you fill your bag:

- A. Ask a neighbor to start a bag
- B. Ask a friend to give you their crushed aluminum cans
- C. Mention to your coworkers that you're collecting cans
- D. See how many sources you can get to help you

Remember-only **ALUMINUM CANS** (usually beverage).....they must be crushed.....fill your plastic bag....and bring it to us!!!!

HAPPY CANNING!!!!
